

## Infinity Promotes John Hutchison to COO

*Experienced industry executive moves into critical role for growing firm.*

March 03, 2022 08:00 AM Eastern Standard Time

ROCKVILLE, Md.--(BUSINESS WIRE)--Infinity IPS, a full service Mortgage Due Diligence, Pre/Post Close QC, Tax/Title and support services firm, has promoted John Hutchison to Chief Operating Officer.

“Promoting John to COO is key to the continued delivery of quality services as we grow,” said Chandresh Mehta, Infinity IPS Chief Executive Officer. “John is an expert at operational improvement initiatives and that will serve us well. Many companies that see the kind of growth we’ve seen over the past year stumble and their quality falls. John will help make sure that doesn’t happen at Infinity.”

Hutchison joined the company in 2013 and brings over 40 years of financial services experience to his new position. Prior to joining Infinity, Hutchison was Principal at Capital Markets Consultant Group. Before that, he served as Director for Opus CMC, Senior Vice-President for American Mortgage Consultants, Inc, and Lead for Clayton Holdings. He started his career in 1985 at Advanta Mortgage in the internal audit group.

“Every company seeks growth, but no one appreciates the many challenges that uncontrolled growth can bring with it,” Hutchison said. “Over the course of my career, I’ve seen many missteps and I’ve learned from some of the best. I’m very excited about taking on this challenge. With the resources available to us and the experienced team we have working at Infinity, I’m confident we will continue to grow revenue significantly as customers in search of consistency and quality engage us in strategic partnerships.”

Infinity IPS is hiring seasoned industry professionals to help manage the company’s growth. Interested parties should [visit the company online](#).

### **About Infinity IPS**

Infinity IPS, founded in 2003, is a mortgage industry leader providing end-to-end services and solutions for more than a decade. The company specializes in Mortgage Due Diligence and Pre-Fund and Post-Close QC with additional mortgage services including valuation, risk management, specialized staffing and advisory services to Investment Banks, Originators, Government Agencies, Hedge Funds, Private Equity Funds, Bond Insurers, Regional and Community Banks, Credit Unions, public and private REITs and Mortgage Insurers. The firm offers securitization audits, performing, re-performing, and non-performing mortgage asset due diligence and secondary market compliance due diligence services, as well as HMDA reviews, nationwide title O&E reports, current owner research, non-escrow tax tracking and tax certificate investigation. Infinity is a SOC2 and SOC3 compliant firm, and its reviews meet the standards of all major credit rating agencies. Learn more by visiting <https://infinity-data.com/>.
